The Brady v. Maryland 373 U.S. 83 case is withholding evidence that can free me from Torture at FCI Williamsburg. I was not taking medication during my Identity theft Heist's, Defendants were withholding my cure, which forced me to commit crimes so I can go to CVS Pharmacy After hrs and get coolaids and relief fast. I had gul bladder surgery at chester county Pennsylvania hospital in 1997. The Gulf Stones came from the Gulf of Mexico, Defendants are

Withholding my evidence to present actual innocence in my crimes.

Sep. 10th, 2007 - Defendants took my Nobel peace prize on writing lawsuits. Watergate burglars broke into my cell with a crowbar. My cell mate guards all my awards and trophy's while I'm in the Prison Library writing lawsuits. After a long day work, the crowbar is still wedged in my head. I set off the metal detector. Defendants are withholding FCI doctors from treating me.
